

10th CEHC & HEPATOLOGY 2020

CONFERENCE

PRELIMINARY PROGRAM

18.03.2020. WEDNESDAY

15:00 ARRIVAL

16:00 – 16:20 10th CEHC OPENING

Robert Flisiak MD, PhD

*Department of Infectious Diseases
and Hepatology of the Medical
University, Białystok (PL)*

Béla Hunyady MD, PhD

*Somogy County Kaposi Mór
Teaching Hospital, Kaposvár;
University of Pécs; Pécs (HU)*

Gábor Horváth MD, MGT

*President of the Hepatology Section
of the Hungarian Gastroenterology
Society, Budapest (HU)*

16:20 – 17:50 Road to HCV elimination

Moderators:

Jerzy Jaroszewicz MD, PhD

*Department of Infectious Diseases and
Hepatology, Medical; Białystok (PL)*

Makara Mihály MD

*South-Pest Center Hospital-OHII
Budapest (HU)*

„How close we are to HCV
elimination in Central Europe –
conclusions from the 9th Conference
of CEHC”

Robert Flisiak MD, PhD

*Department of Infectious Diseases
and Hepatology of the Medical
University, Białystok (PL)*

„Multistakeholder collaboration for
HCV treatment of PWID in Bulgaria”

Marieta Simonova, MD, PhD

Military Medical Academy, Sofia (BL)

„Grazoprevir/Elbasvir in HIV/HCV-
coinfected compared to HCV-
monoinfected patients in real world
setting”

Dorota Zarębska-Michaluk, MD, PhD

Swietokrzyskie Hospital, Kielce (PL)

„Mandatory HCV screening program
for healthcare workers in Hungary”

Béla Hunyady MD, PhD

*Somogy County Kaposi Mór
Teaching Hospital, Kaposvár;
University of Pécs; Pécs (HU)*

Discussion

17:50 – 18:40 NAFLD

Moderators:

Peter Jarcuska MD, PhD

*Pavol Jozef Šafárik University;
Kassa (SK)*

Gábor Horvath MD

*Buda Hepatology Center; Budapest
(HU)*

17:50 – 18:40 NAFLD

„NAFLD in patients with type 2 diabetes: diagnosis and prognosis in real life cohort”

Ivica Grgurević MD, PhD

*University Hospital Dubrava, Zagreb
(CR)*

„Adipokines in insulin resistance and NAFLD”

Lucija Virović Jukić MD, PhD

*Croatian Gastroenterology Society;
Zagreb (CR)*

Discussion

19:00 Dinner

08:00 – 09:10 Liver cirrhosis

Moderators:

Krzysztof Tomaszewicz MD

Medical University of Lublin (PL)

Kanizaj Tajana Filipec MD, PhD

University Hospital Merkur, Zagreb (CR)

„Liver cirrhosis -safety and risk of an infectious and immunosuppressive therapies”

Krzysztof Simon MD, PhD

Wrocław Medical University, Wrocław (PL)

„Adherence to oral nutritional supplements in patients with liver cirrhosis”

Ľubomír Skladaný MD, PhD

F.D. Roosevelt Teaching Hospital, Banská Bystrica (SK)

„Danis stent in the esophageal varices bleeding”

Sylvia Drazilova MD, PhD

Government Hospital, Poprad (SK)

Discussion

09:10 – 10:20 Hepatitis B

Moderators:

Marieta Simonova MD, PhD.

Military Medical Academy, Sofia (BL)

Ľubomír Skladaný MD, PhD.

F.D. Roosevelt Teaching Hospital, Banská Bystrica (SK)

„Soluble immune markers in chronic hepatitis B”

Jerzy Jaroszewicz MD, PhD

Department of Infectious Diseases and Hepatology, Medical; Białystok (PL)

„Chronic infection with hepatitis B virus in Slovakia”

Peter Jarcuska MD, PhD

Pavol Jozef Šafárik University; Kassa (SK)

„HBV reactivation in patients on immunosuppressive drugs”

Jan Šperl MD

Institute for Clinical and Experimental Medicine, Prague (CZ)

Discussion

10:20 – 10:40 Coffee break, view of the exhibition and posters

10:40 – 12:10 Future challenges in hepatology

Moderators: Jan Šperl MD

Institute for Clinical and Experimental Medicine, Prague (CZ)

Ivana Mikolasevic MD

University of Rijeka, Rijeka (CR)

„Precision Hepatology”

Peter Ferenci MD, PhD

Medical University of Vienna (A)

„Role of gut microbiota in pathogenesis of acute-on-chronic liver failure”

Michal Kukla MD

Medical University of Silesia, Katowice (PL)

„Wilson's disease”

Limas Kupcinskis MD

Lithuanian University of Health Sciences, Kaunas (LT)

„Celiac related hepatitis - do we recognize it?”

Ivana Knežević-Štromar, MD

Clinical Hospital, Zagreb (CR)

“Blood plasma spektroskopy - promising tool for HCC screening”

Petr Hříbek, MD

Institute of Physics ASCR / FZU,

Prague (CZ)

Discussion

12:10 – 13:00 Lunch

13:00 – 14:30 Long term consequences of HCV treatment

Moderators:

Robert Flisiak MD, PhD

Department of Infectious Diseases and Hepatology of the Medical University, Bialystok (PL)

Petr Urbanek MD

Military University Hospital, Prague (CZ)

„Is any long term impact of cured HCV infection on immune system and extrahepatic manifestations?”

Krzysztof Tomasiewicz MD

Medical University of Lublin (PL)

„HCV positive organ donors in the DAA era”

Sona Frankova MD, PhD

Institute for Clinical and Experimental Medicine in Prague, CZ

„DAA therapy and HCC risk in patients with HCV”

Monika Pazgan-Simon MD

Hospital Gromkowski Wroclaw, Koszarowa (PL)

„Incidence of malignant disorders in patients with chronic hepatitis C virus infection achieving sustained virologic response following either interferon-based or interferon-free therapy,”

Tornai István MD

University of Debrecen, Debrecen (HU)

Discussion

14:30 – 14:40 CLOSING REMARKS

Robert Flisiak MD, PhD

Béla Hunyady MD, PhD

Gábor Horváth MD

14:40 – 15:40 MSD symposium

15:40 – 16:10 Coffee break, view of the exhibition and posters

16:10 – 16:20 HEPATOLOGY 2020 OPENING

Horváth Gábor MD

Chair of the MGT Hepatology Section;

Mihály Makara MD

Curator of the Liver Disease Foundation;

Szalay Ferenc MD, PhD, *Chairman of the Hungarian Liver Research Society*

16:20 – 16:50 JÁNOS FEHÉRMEMORIALLECTURE

Chairs:

Gabriella Lengyel MD

Gábor Horváth MD

Mihály Makara MD

Awarded: Ferenc Szalay MD, PhD

Semmelweis University, Budapest

16:50 – 18:10 NASH – Metabolikus syndrome

Moderator: Gabriella Pár MD

University of Pécs, Pécs

„Modern Treatment of Diabetes and NASH”

István Wittmann MD, PhD

University of Pécs, Pécs

„Obesity Treatment Options and NASH”

Gábor Simonyi MD,

Szent Imre University Teaching Hospital, Budapest

„Muscle and NASH”

Gabriella Pár MD

University of Pécs, Pécs

18:10 – 19:10 Symposium

20:00 Dinner

09:00 – 10:05 Autoimmune hepatitis
Moderator: István Tornai MD
University of Debrecen, Debrecen
„New therapeutic options in autoimmune hepatitis”
István Tornai MD
University of Debrecen, Debrecen
„Gravititis and autoimmune hepatitis”
Alajos Pár MD, PhD
University of Pécs, Pécs
„Difficulties with the PSC diagnostics and treatment”
István Tornai MD
University of Debrecen, Debrecen

10:05 – 10:50 ACE
Moderator: Mihály Makara MD
South-Pest Center Hospital-OHII, BP
„Relationships between childhood and adulthood in the light of international studies (Adverse Childhood Experiences (ACE) context of studies and drug studies)”
Balázs Matuszka MD, *Pázmány Péter Catholic University, Faculty of Humanities and Social Sciences, Institute of Psychology, Budapest*
„Negative childhood experiences: first results of Hungarian studies with special attention to the data of drug users”
Mihály Makara MD
South-Pest Center Hospital-OHII, BP

10:50 – 11:10 Coffee break, view of the exhibition and posters

11:10 – 12:10 Abbvie symposium

12:10 – 14:00 Lunch

14:00 – 15:10 Current issues of liver transplantation
Chair: Zsuzsanna Gerlei MD
Semmelweis University, Budapest
László Kóbori MD, PhD
Semmelweis University, Budapest
„The site of the Hungarian liver transplantation in Eurotransplant”
László Kóbori MD, PhD
Semmelweis University, Budapest
„Innovation in liver surgery”
László Piros MD
Semmelweis University, Budapest
„International comparison of the liver list in Hungary”
Dénes Görög MD
Semmelweis University, Budapest
„HCC diagnostics and radiological intervention in the light of the Milan criteria”
Attila Doros MD
Semmelweis University, Budapest

15:10 – 15:30 Hepatocellular carcinoma
Presenter: András Kiss MD, PhD
Semmelweis University, Budapest

15:30 – 16:00 Merz/Shila-Medic symposium
„Diagnosis and treatment of hepatic encephalopathy”
Presenters:
Béla Hunyady MD, PhD
Somogy County Kaposi Mór Teaching Hospital, Kaposvár; University of Pécs; Pécs
Gábor Horváth MD
Buda Hepatology Center, Budapest

- 16:00 – 16:20 Coffee break, view of the exhibition and posters
- 16:20 – 17:10 National Commission on Hepatitis
National Hepatitis Program
Chair: Zsuzsa Schaff MD, PhD
Semmelweis University, Budapest
Árpád Gógl
Former Minister of Health
Mihály Makara MD
South-Pest Center Hospital-OHII, BP
Moderator: Béla Hunyady MD, PhD
Somogy County Kaposi Mór Teaching Hospital, Kaposvár; University of Pécs; Pécs
- 17:10 – 17:30 NEAK report
- 17:30 – 18:20 Announced presentations
Further announced presentations
- 18:20 – 19:20 Symposium
- 20:00 Dinner

- 09:00 – 09:30 **LÁSZLÓ TELEGDY LIFETIME ACHIEVEMENT AWARD**
Awarded by the Curator of Liver Disease Foundation, Mihály Makara MD
The award goes to:
László Rókusz MD, PhD
MHEK, Budapest
Presentation of the awarded:
- 09:30 – 09:45 **LÁSZLÓ TELEGDY YOUNG RESEARCH SCHOLARSHIP**
Announcement of the results of the tender of the Foundation for Liver Diseases 2020. Awarded by the Curator of Liver Disease Foundation, Mihály Makara MD.
Presentation by the award-winning author in 2019: „Fluorimetriás szűrővizsgálat a fehérje-karbonil kimutatásához krónikus májbetegségekben”
Egresi Anna MD
Semmelweis University, Budapest
- 09:45 – 11:00 **Children hepatology**
Moderator: Antal Dezsőfi MD
Semmelweis University, Budapest
„Autoimmune liver disease phenotype in childhood”
Antal Dezsőfi MD
Semmelweis University, Budapest
„After liver transplantation metabolic and cardiovascular complications in childhood”
Nagy Bogáta,
Semmelweis University, Budapest
„PTLD after liver transplantation in childhood”
Szabó Dolóresz
Semmelweis University, Budapest
- 11:00 – 11:15 Coffee break, view of the exhibition and posters
- 11:15 – 11:50 **Oncotherapy and liver**
Chair: Ferenc Szalay MD, PhD
Semmelweis University, Budapest
„Oncological treatment of HCC. Present and future”
Magdolna Dank MD, PhD
Semmelweis University, Budapest
„Opportunities and limitations of oncotherapy in liver patients”
Ferenc Szalay MD, PhD
Semmelweis University, Budapest
- 11:50 – 12:35 **Hepatitis E - current Roundtable**
Moderator: Ferenc Schneider MD
Markusovszky University Teaching Hospital, Szombathely
Participants: Mária Takács MD
National Center for Public Health, Budapest
Zsuzsanna Molnár MD
National Center for Public Health, Budapest
János Schuller MD
Uzsoki Hospital, Budapest
Zsuzsanna Gerlei MD
Semmelweis University, Budapest
- 12:35 – 13:15 **Announced presentations**
„Benefits of statins in chronic liver disease”
János Schuller MD
Uzsoki Hospital, Budapest
*Further announced presentations *
- 13:15 – 13:25 **Closing remarks**
- 13:25 **MMKT General meeting**
- 13:30 **Lunch**
